GAELIC FOOTBALL FOR ALL AGES AND ABILITIES

St James Gaels GAA Club invites people of all ages who want to play Gaelic Football to join our Club.

Starting with our Gaels All Stars Academy for 5 to 8 year olds we field teams to cater for all ages including two Adult Men's teams and an Adult Ladies team. Our juvenile section welcomes boys and girls of all ages and our trained coaches make sure that everyone, regardless of ability, is given the opportunity to develop their Gaelic Football skills in a friendly and fun atmosphere.

WHERE ARE WE?

In the Iveagh Grounds on the Crumlin Road, in the heart of Dublin 12, St James Gaels has access to a top class set of facilities for all of our teams. From the excellent flood lit pitch in the Grounds to floodlit training areas and an All weather facility St James Gaels teams lack nothing in terms of facilities. Players have access to gym facilities in the Grounds as well as access to the relaxing atmosphere of the Iveagh Grounds social facilities.

Our juvenile teams also play in the lovely grounds of the Drimnagh Castle secondary school where we try to ensure that our home performances match the fine castle fortress located beside the pitches.

A CLUB WITH HISTORY & TRADITION

An amalgamation between An Caislean GAA Club and the Guinness GAA Club gave birth to St James Gaels in 1994. That year also saw the first ever floodlit Gaelic Football match in Dublin on our pitch in the Iveagh Grounds.

The history of the Clubs that came together goes back over a hundred years and it is that long tradition of dedication to the promotion and development of Gaelic Football in the Dublin 12 area which marks us out as a Club. Today, our hard working team of trained voluntary coaches ensure that this tradition continues to thrive in your area.

We want all of our neighbours here to join with us in our efforts as players, supporters or people who can volunteer help in whatever capacity.

SPONSORSHIP

Local businesses who are interested in helping us by sponsoring one of our teams are encouraged to get in touch with the Club and can be assured that in helping St James Gaels they will be making a valuable contribution to the development of young people in the Community in which they are based.

SUMMER CAMP

Every July the Club hosts its annual Summer Camp and boys and girls from 5 to 12 years who want to join us in that should make sure to take part.

ROOTED IN THE COMMUNITY

Like all GAA Clubs our roots are in the local community. The players on our juvenile teams all grow up and go to school in the locality and these are the children we are developing to fill our Adult teams of the future.

Every year we host one of the premier Under age football competitions in Dublin – The John Humphrey memorial cup for Under 10 footballers. This competition, which showcases the best of the under age talent in the Capital, also helps to raise funds for Our Lady's Hospital for Sick Children.

As a measure of our commitment to the community our coaches have developed structured links with local schools such as Drimnagh Castle and the Assumption Primary school to promote our activity in the locality.
